

Komen App Helpful Hints

The Komen app provides meaningful support for DIY fundraisers who want to create successful fundraising campaigns. Features include mobile check deposit, text-to-give functionality, suggested messages for social media, wellness challenges, milestone badges and more.

HELPFUL HINTS WHEN USING THE APP:

LOGGING IN

- ☐ To find our mobile app, **search “Komen”** on your Apple or Android phone app store. Once you download the app, you will log in with the same username and password that you created when you registered your DIY Fundraiser at komen.org/fundraise.*
- ☐ **You must be registered for an event to log into the app.** You must use the same user credentials used to log into your Fundraising Center.

HOME

- ☐ View your fundraising progress, your fundraising checklist, and connect your fundraiser to Facebook Fundraiser from the login screen. Click on **Menu** to see a high-level overview of all the tools available right at your fingertips.
 - Track your fundraising progress
 - Edit your personal page
 - Upload a photo
 - Edit goal
 - Ask for donations
 - Deposit checks
 - Connect fundraiser to Facebook (tip: do this after you update your personal page so all the details carry over to your Facebook fundraiser)
 - Earn badges
 - View challenges

SEND MESSAGES

- ☐ Text, email and post fundraising messages.
 - Text your friends to request donations by using the **Fundraise** section (via the **Menu**, near the top left). Look for the **Ask for Donations** section and click on speech bubble icon with three dots. This will populate pre-written text messages for you to share. You can also send emails and post on your preferred social media channels from this section.

DONATIONS

- ☐ Easily track and enter your donations.
 - Mobile Check Deposit
 - No more printing forms, mailing in checks or waiting months to get credit for a donation! The mobile check deposit feature on the app allows the deposit amounts to show up immediately in your fundraising total.
 - To find this feature, click the **Donations** tab from the **Menu**. Then click **Deposit Check**. Follow the prompts to photograph the check and input the check amount.
 - Make sure the check is made out to **Susan G. Komen**, the date is current, the legal and courtesy amount on the check match, and the check has a signature in front, as well as “For Deposit only” endorsed in the back.

UPDATE YOUR FUNDRAISING PAGE

- ☐ Your personal fundraising page is the best place to tell others why you’ve chosen to support Komen’s mission. Ask yourself the following questions when updating your fundraising page:
 - Why are you participating?
 - What is your personal connection to breast cancer?
 - Are you participating in honor or in memory of someone special?
 - What is your fundraising goal? Why?

Ready to get started? Sign into the app and look for the **Manage Page** section in the **Menu**, near the top left. Follow the prompts to update your page’s image, customize your personal page link or edit your story. Tap **Save** and you’re set! !

***Please note:**

If you haven’t created a DIY Fundraiser yet, visit komen.org/fundraise or email fundraise@komen.org for help.
