There are three different ways to be selected for the fundraising boost. Participants must register for a 2023 Susan G. Komen event and have access to their individual participant center on [komen.org](https://www.komen.org), which will record their fundraising progress. All donations must be made through their participant page or connected to Facebook Fundraiser to be counted for this incentive. Only checks entered using the event mobile app will be eligible to be counted for this incentive. Cash donations entered using the participant center or mobile app are not eligible/will not be counted.
