

CONVERSATION CARDS

Hosting a **ONE Community Wednesday** get together? Use these cards to get people talking, sharing, & learning more about each other & what it means to be a part of this ONE community! We have cards for EVERYONE — for helping you talk about **IMPACT** to participants & non-participants alike, for sharing stories with your fellow **ONE COMMUNITY** members, and even for some quality **TEAM** bonding. Feel free to come up with your own as well!
