

Join Susan G. Komen
and **help** **saves** **lives.**

KOMEN.ORG/JOINUS

Our mission is to save lives by meeting the most critical needs of our communities and investing in breakthrough research to prevent and cure breast cancer. We believe that no one should face breast cancer alone.

When you join the Susan G. Komen community as a donor, fundraiser, volunteer, advocate or partner, you are uniting with more than 1 million people who share our vision for a world without breast cancer. You have the power to make a direct impact on our mission to ensure all people have the same chance of surviving breast cancer.

Ending breast cancer needs **all of us.**
